COLUMBIANA HIGH SCHOOL

We, the class of '59, dedicate the Clipper to Mrs. Ferrall.

As our Sophomore Sponsor, she was a tremendous help in starting us on the way to financial success as Juniors.

Now, nearing graduation, we look back and see her as more than a counselor or chaperone, but a friend, as she always will remain to us.

Class History

We, the Class of 1959, leave behind us many memorable and fun-filled days.

As Freshmen, we were not by any means the shy type. We managed to survive the ordeal of Freshman initiation by grim endurance. Under the able leadership of our president, Jack Fellers, we had a very successful year.

Perhaps by luck, we all returned ready, willing, and able for our Sophomore year. This year was spent mostly in earning money for our Junior year activities. Our president for this year was Bill Brown.

The word "work" reminds us all of our Junior year. Selling refreshments at the football and basketball games was one of the major projects we undertook in order to earn money for our big event of the year, the Junior-Senior Prom. We also presented the play, "Finders Creepers," and selected our class rings. This year we were under the leadership of Ray Oberholtzer, our president.

And now as we think of our Senior year, we can all say that we have gained much from the experiences of our high school years. The main project of the Senior year, our annual, was started on its way. Then we presented the Senior play, "Rebel Without a Cause." This was our year for publishing the school paper, and a new look was introduced. Having our pictures taken and ordering our class cards were two of the many traditional things which we did during this year. Our president was Jim Rupert.

And now as June, 1959, rolls around we come to the most important step we have made thus far - our graduation.

The Junior Play - "CRAZY BUT CUTE"

After several weeks of play reading, the Juniors have selected the comedy "Crazy but Cute" as their play. It is a light and highly-entertaining comedy and will be presented the evening of April 17th in the High School Auditorium. Faculty advisor and director is Mrs. Perrin. It comes too late for us to publish pictures or give cast, but we are sure the play will provide a most enjoyable evening.

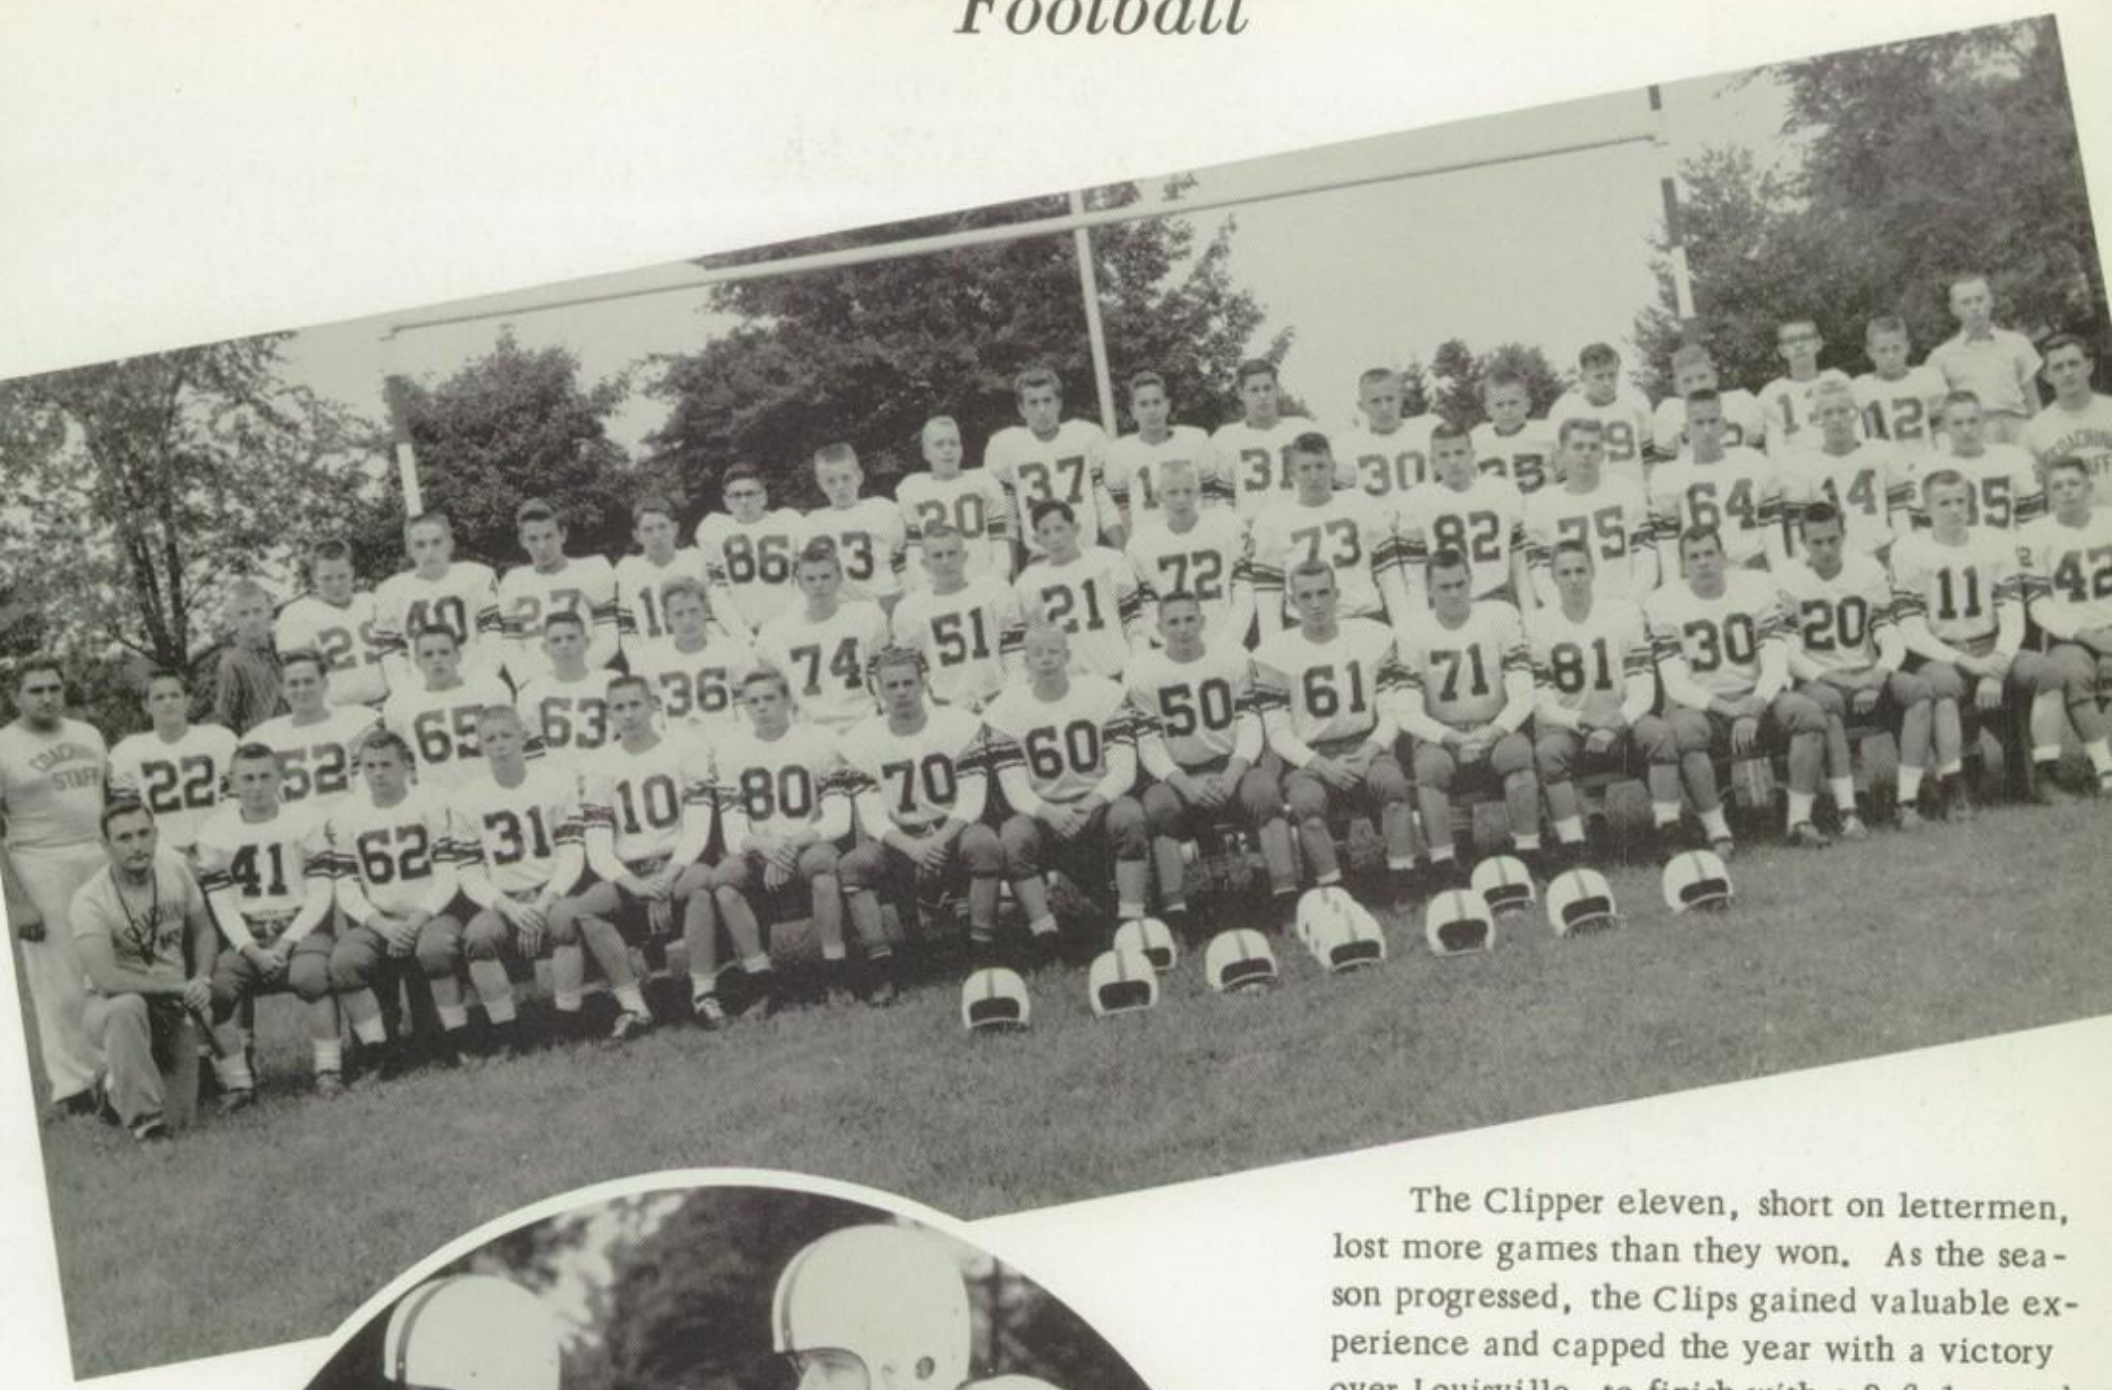
Football

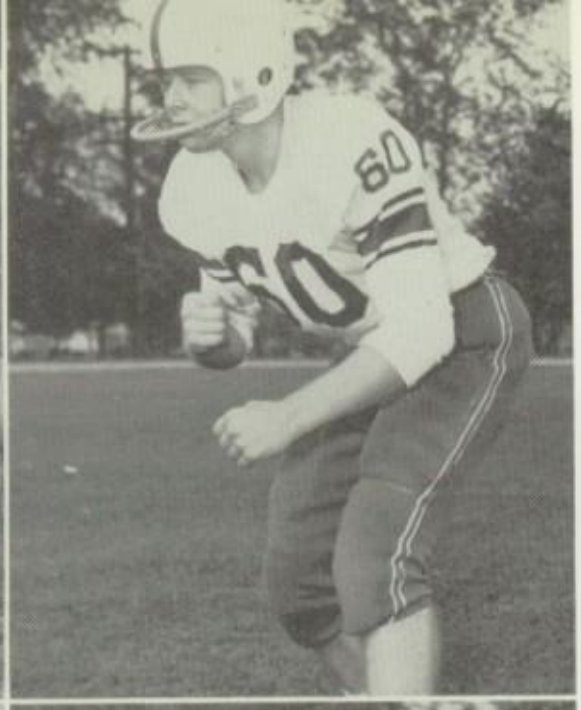


The Clipper eleven, short on lettermen, lost more games than they won. As the season progressed, the Clips gained valuable experience and capped the year with a victory over Louisville, to finish with a 3-6-1 record.

Pictured above are co-captains Carlyle Elser and Jim Bailey. At the right are Head Coach George Fisher and Assistant Coach Rich Berryman and Assistant Coach Ted Ossoff.

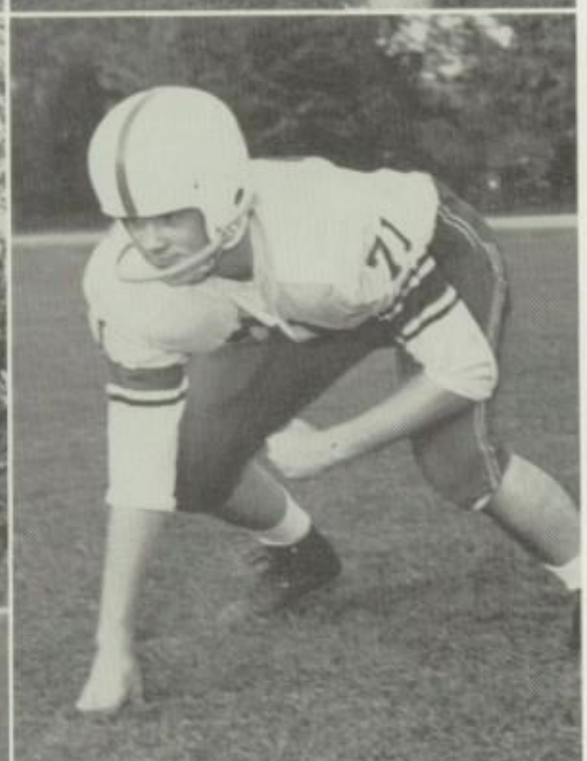
Compliments of
BEN FRANKLIN STORE

Jim, one of our co-captains, played a terrific game at center and was a tiger at the defensive linebacker position. Very seldom did a runner get by him. Because of this, Jim was given an honorable mention berth on the All-Tri-County team. His fine playing will be hard to duplicate next year.



Carlyle, our other co-captain was the right guard, and a very good one. His fine defensive work helped the team greatly this year. He was the key to the "Clippers" offense. Carlyle was chosen to the second team All-Tri-County this year.

Stan, at his end position, displayed some beautiful downfield blocking and also did a terrific job at defensive halfback. He was given an honorable mention position on the All-Tri-County team. His ability to catch almost any pass thrown to him will be greatly missed by next year's team.



Art played his first year of varsity ball. He displayed outstanding line play, opening many holes in the opposition's forward wall. Art was also a mainstay on the defensive line. His absence will be felt by next year's team.

Tom, although only a junior, played his third year with varsity. His great defensive and offensive line play was a great help to this year's team. Because of his ability, Tom was selected for the first team All-Tri-County. He will be a bit asset to next year's team.

Ray, also his first year of varsity ball, was standout at his defensive position. He filled in equally well at the offensive guard position. He will be a big asset to next year's team.

Alan was another lad who won his varsity letter as a defensive linebacker. He also filled in capably in the Clipper backfield. He should be of great value to next year's team.

Roger was a defensive standout this year at the linebacker position. He helped break up many passes. He should be outstanding next year for the Clipper eleven.

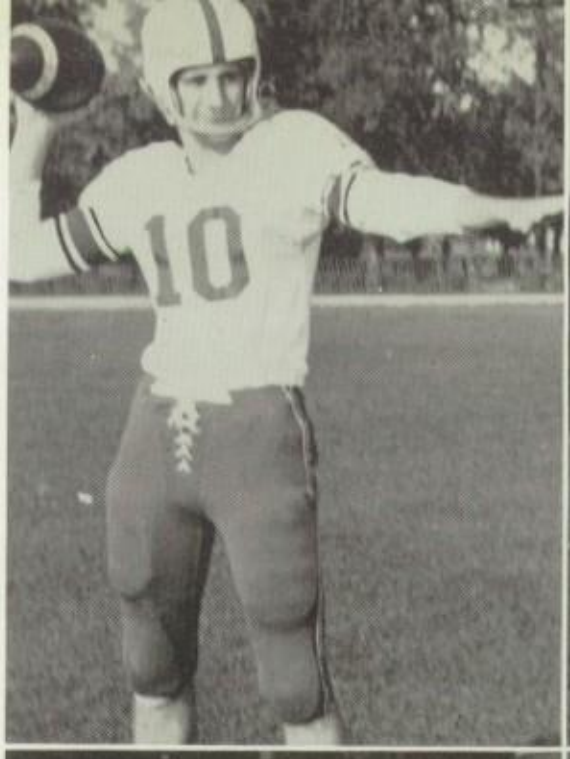
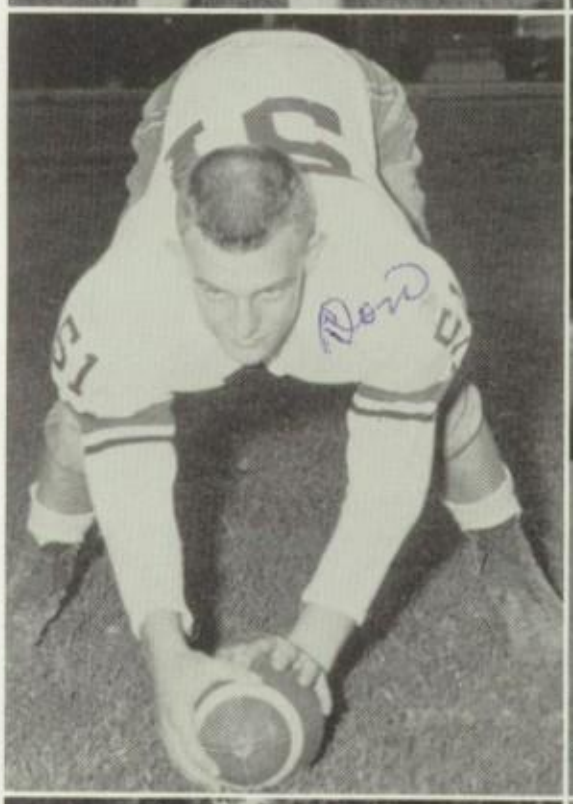
Ray was our quarterback this year and a good one. His signal calling and his passing ability will be a big asset to next year's team.

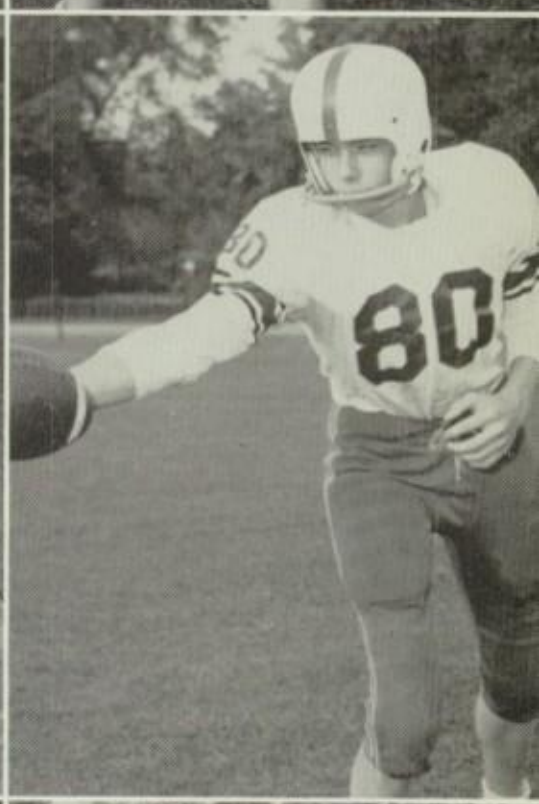
Jim was plagued by a shoulder injury this year. When he was in there, he gave his best. He should be a credit to next year's team.



Don earned his varsity letter as a capable front line replacement both offensively and defensively. He should be a big help to next year's team.

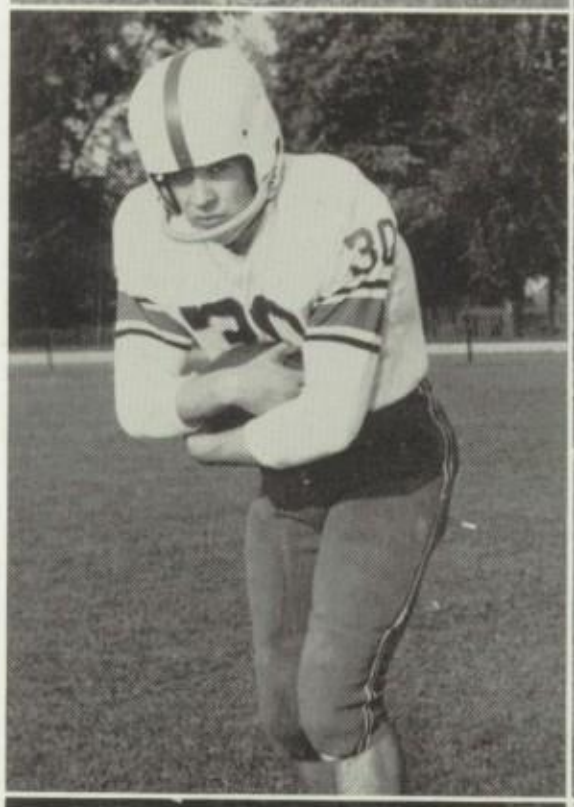
Don was a standout on this year's team, in that he had the ability to catch passes from almost any angle. He will be a capable performer for the Clipper squad for the next two seasons.

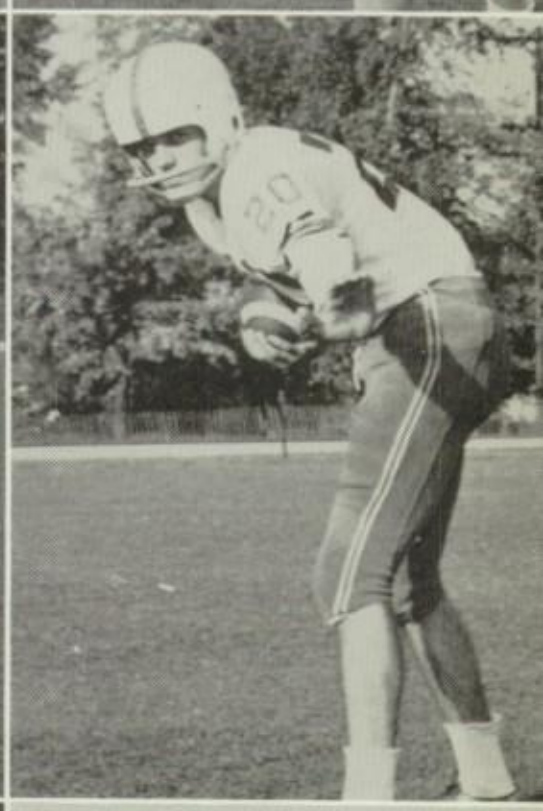




Gary played a good game at fullback this year. His many long runs and his power to bust through the line helped greatly this year. He will be the spark for the Clipper's backfield next year.

Larry showed his football ability by making several nice runs. He was adequate at the defensive halfback position. He should help next year's team.





Paul was an excellent defensive halfback this year. He filled in at offensive halfback when the need arose. The Clipper fans can look for two more years of varsity action from him.

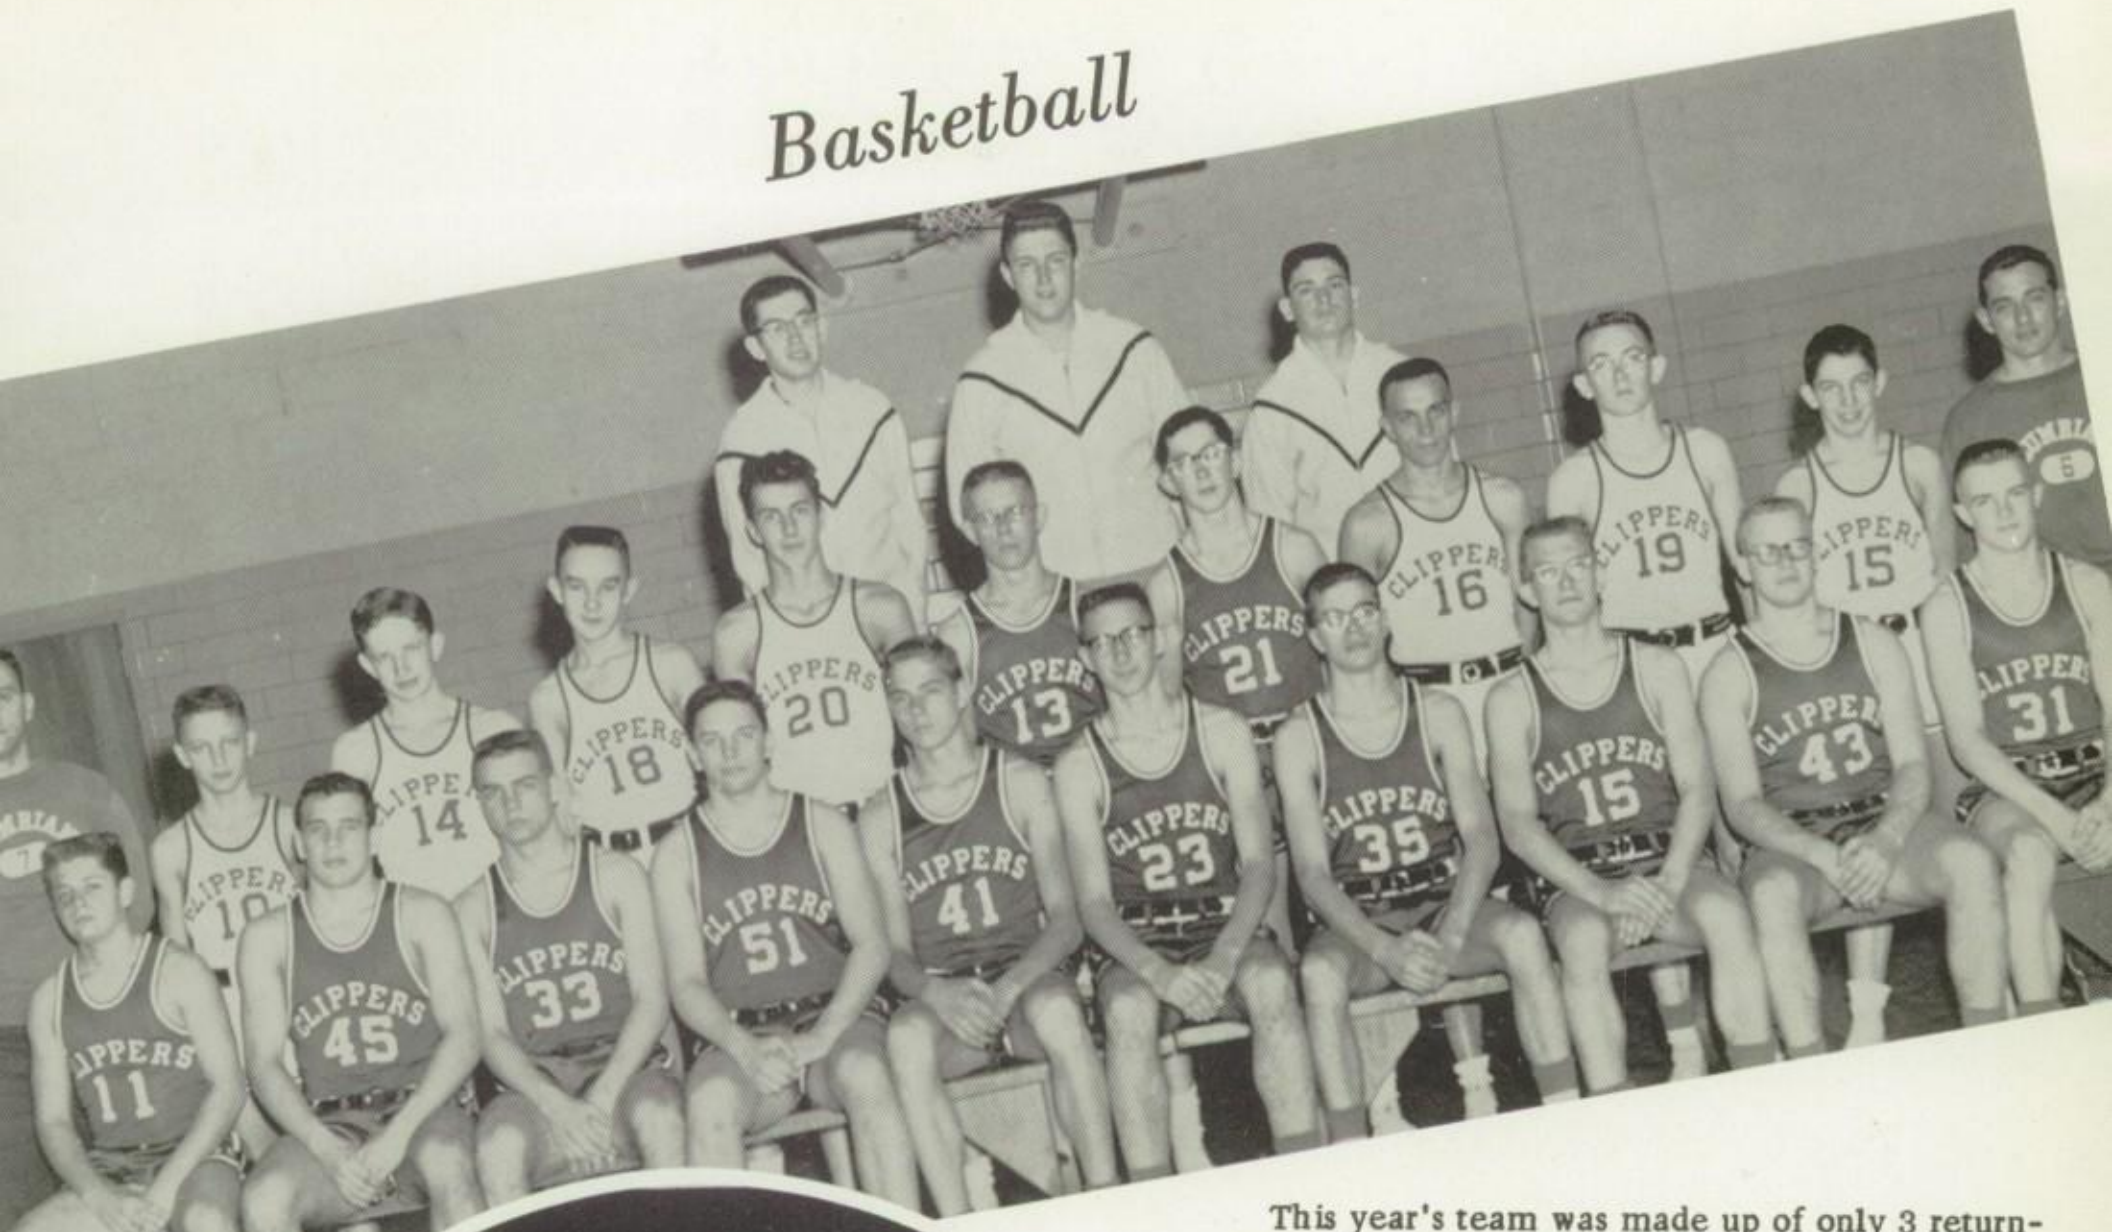
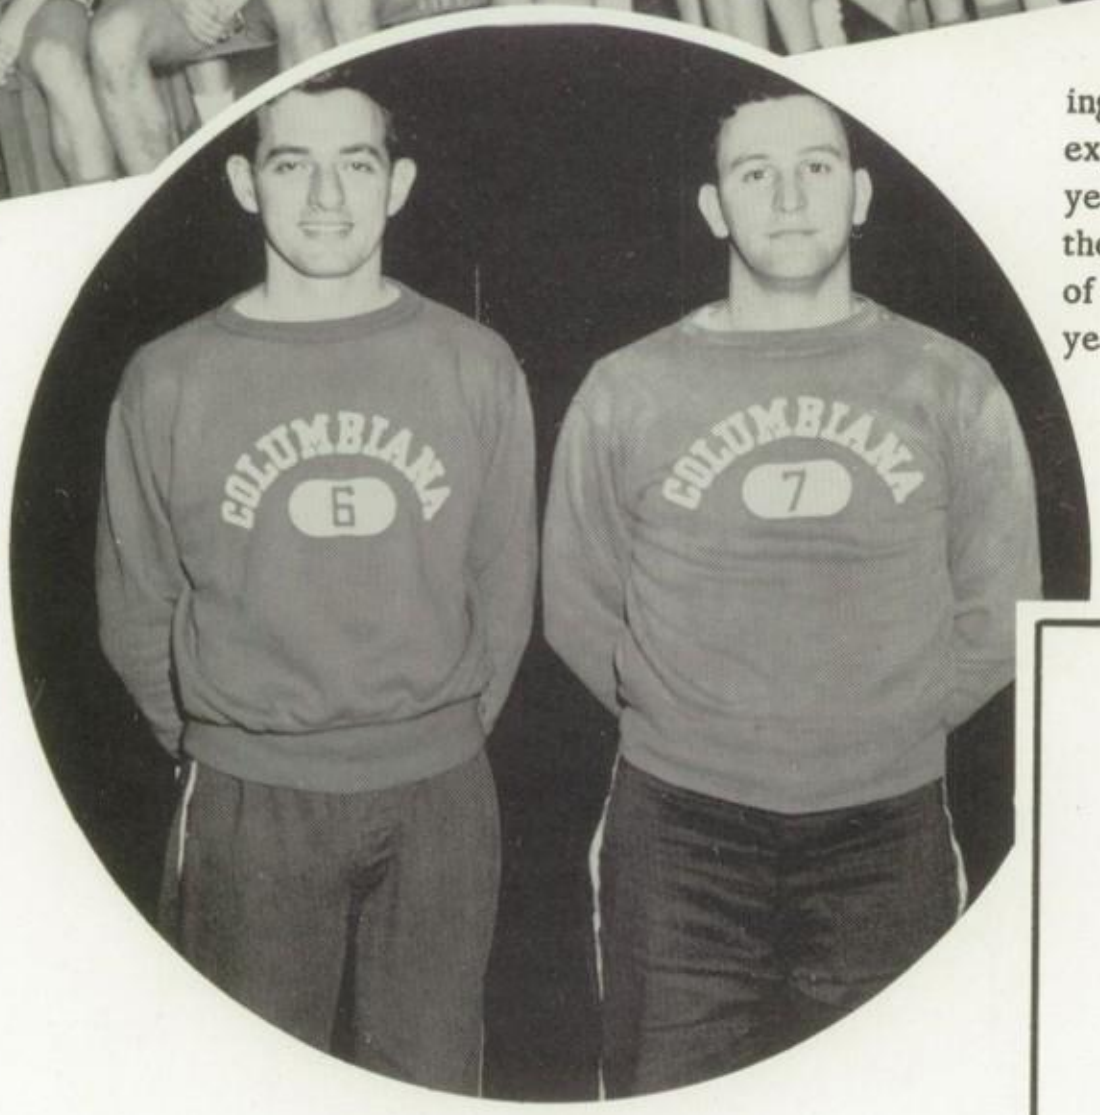
Basketball





Head Coach - RICH BERRYMAN
Assistant Coach - GEORGE FISHER

This year's team was made up of only 3 returning boys from last year's squad. The team lacked experience to start off the season. Most of this year's losses were attributed to the inexperience of the Clipper squad. The starting five was composed of four sophomores and one junior. In the future years we can look for great things.

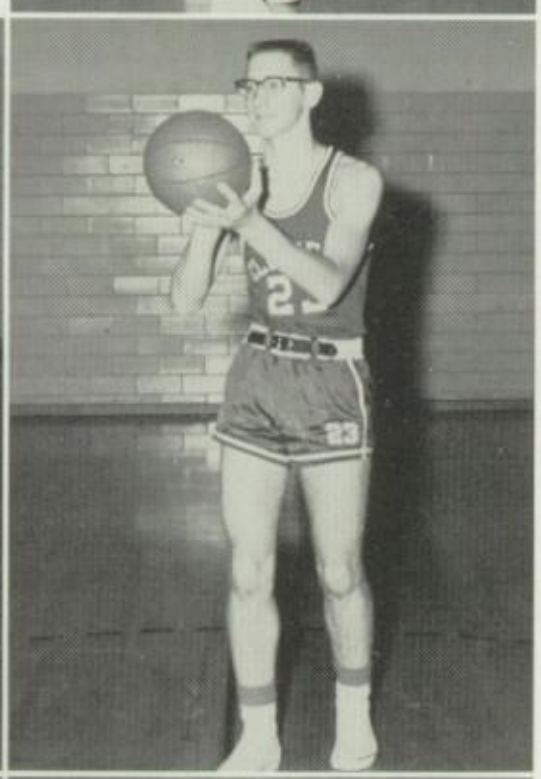
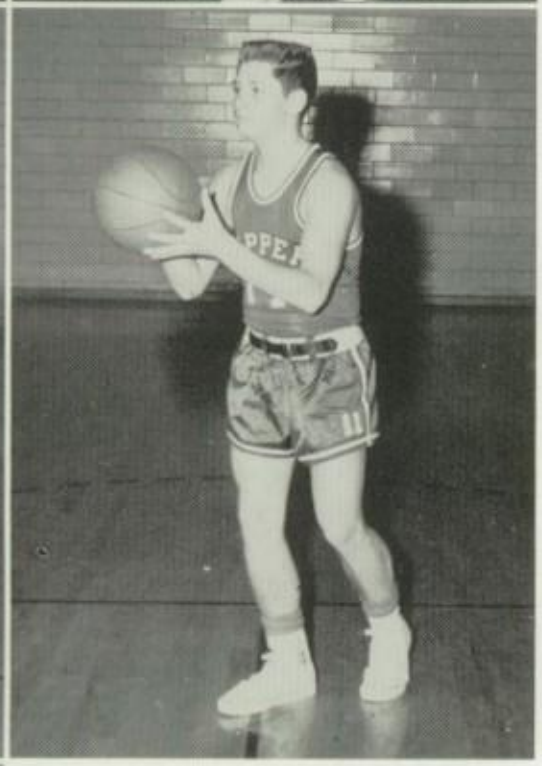
JERRY MOLLENKOPF - This was Jerry's first year of varsity competition. He was a capable replacement under the basket and will be missed next year.



CARLYLE ELSER - This was Carlyle's first year of varsity play. He showed he had all the stuff it takes to be a basketball player. Although not playing full time, he helped us a lot.

RAY BALTZ - Ray was the captain of this year's squad. Although only a junior, he played his second year of varsity. We can expect great things of Ray next year.



TOM LOGAN - Tom's determination made him a capable replacement as both a forward and at guard. He will be a valuable asset to next year's team.

ROGER FRITCH - What Roger lacked in height, he made up in determination and skill. He will be a great help to next year's team.

ALAN DOUGLAS - Alan led the reserve team's scoring attack. He was a capable replacement.

DON DAVIDSON - Don was a consistent scorer and a great rebounder for the Clipper five this year. He excelled at tipping in missed shots. He will be a great help to next year's team.

RICH HARROLD - Rich possessed the finest outside shot of the clipper team. He was also a good ball handler. You can look for great things from Rich for the next two years.

DON CULP - Don was an excellent ball handler this year. He set up many scoring plays for the Big Red. Don is only a sophomore and he will be a big asset for two more seasons.

GARY PERKINS - Gary was one of the boys who played under the basket this year. Although not too tall, he managed to capture more than his share of rebounds. He was a good scorer, also. The Clipper fans will see Gary for two more seasons.

KENNY BAILEY - Kenny didn't see too much varsity action this year. When he did get in, his playing was creditable. He will be around for two more seasons.

PAUL MURPHY - Paul's varsity playing was limited this season, but when he played he showed good ball handling. He will help the team for the next two years.

FOUNDRY COMPANY

And Employees

Our annual would have been impossible without the financial help of our contributors, our page sponsors and our advertisers.

According to up-to-date business opinion, this was money well spent, both for them and for us. For quick returns, an annual ad may be ineffective, but for slow returns over the years, an annual ad is certainly effective.

Please accept our sincere thanks.

Makes you feel pretty important, doesn't it? You've come through twelve rough years of books and report cards, detention periods and childish ways--- to find your future staring you smack in the face.

It's such an uncertain future--filled with nuclear fission and speeds faster than sound...big frightening hassles in the U.N. and trips into outer space.

But the most important thing is that this future we're talking about is YOU! You'll make it or break it, keep the peace or fight the wars, harness the atom for good, or use it to kill and maim.

Through your college years, into your professions and the homes you will build...our best wishes go with you, Graduate--we're depending on you!
